Kush unites city states of Sumer.

2800-2200 BC Minoan Chronology

Early Minoan II (2800-2200 BC)

c. 2800 BC

Building begins at Stonehenge,  
England

2800 B.C.

SARGON, king of ACCAD, made himself ruler of all Chaldea. He carried his authority over the northern part of the river valley, and even to the distant Mediterranean coast. His empire fell to pieces with his death, but his campaigns had translated the EUPHRATES culture into Syria to take lasting

root there.

2800 BC

+ yrs

great mercantile port of ancient  
Phoenicia. built on an  
island just off the mainland

Sacked by Alexander the Great 333-332 BC  
64 BC - joined to Roman Empire.

2800 BC

---

Stonehenge, most famous  
of ancient stone monuments  
begun in England.

Tigris - Euphrates Valley

C 2800 BC

Stonehenge.

The inner horseshoe of 5 trilithons -  
two uprights with a crossbar - in  
sarsen sandstone was erected  
probably by bronze age Wessex  
people.

2800 BC

Village societies appear in  
Amazonia based on horticulture

2800BC

---

Some Biblical scholars assign  
this date to the DELUGE

2800BC

Stonehenge was begun

2800BC

1912 Dates J-BK

"Story of the Shipwrecked Sailor" author  
unknown.

Written about 2800 BC  
manuscript is in St. Petersburg

2800 BC

---

Stonehenge began in England

2800 BC

Pyramids built in Egypt.

2,800 B.C.

The lowest and last tombs found at UR were from 2,800 B.C.

But there was a civilization below this

C 2800 BC

Every Body.

Sumeru - Babylonian Cal.

The sun-year was divided into 2 seasons; the "summer" which included the barley harvest in 2nd half of what we call May & beginning of June; and "winter", which today roughly corresponds to fall & winter. The months began at the first visibility of the new moon.

C 2,800 BC  
1st half 3rd millennium BC

---

The Gilgamesh of the poems & epic tablets was probably the Gilgamesh who ruled in southern Mesopotamia sometime during 1st half of 3rd millennium BC, though there is no historical evidence for the exploits narrated in the poems and epic.

C 2808 AC

1912 Dates J-BK

A dynasty at UR rules over  
SUMER in northern Babylonia, and  
ACCAD in southern Babylonia

c. 2800 BC

SARGON I builds a strong  
Babylonian kingdom (AKKad)

C 2800 B

In Egypt the month began on the day the waning crescent moon disappeared from the pre-dawn sky. They added an extra month as needed.

WEP-RAN PET = last month of year

TEKHU = 1<sup>st</sup> month of the new year

THOTH was the intercalary month

C2800 BC

Duncan, Cal

2500-2600 BC

Early MINOAN I

C 2800BC

The Stonehenge was designed and constructed in its early phase around 2800 B.C., nearly 2000 yrs before the Celts arrived in Britain.

The last phase was completed 1550 BC

2800 BC → 1100 BC

The Stonehenge ring of upright stones was started in 2800 BC and completed sometime after 1100 BC

1st phase 2800 BC → 2200 BC

2nd phase including arrival of blue stones from Wales — 2100 BC → 2000 BC

3rd phase (includes 3 sub-phases) — 2000 BC to 1100 BC when the final phase began

calibrated by Bratt's cone pine ring

2800 BC

Flourishing of independent city-states

C2817 BC

Sargon I built a strong Babylonian  
kingdom (AKKAD).
